

Move On, Be Strong

Lil Peep

Move on
I'm gone baby
I'm not coming back, nah
Be strong
You're wrong, girl
I'm not coming back
I'd kill for you
I'd die for you
But I'm not coming back

Blood spill for you
I get high for you
And your new man's fucking wack
I'm not coming back
Move on
Be strong
Be strong
I'm not coming back

I...I love you
Move on
I'm gone baby
I'm not coming back, nah
Be strong
You're wrong, girl
I'm not coming back

I'd kill for you
I'd die for you
But I'm not coming back

Blood spill for you
I get high for you
And your new man's fucking wack
