

Old Me

Lil Peep

I am only but a ghost to the old me
Crack a bottle, make a toast to the old me
I remember when I used to give a fuck about you
Now I can't find it in my soul, that's the old me

Crack a bottle, make a toast to the old me
I remember when I used to give a fuck about you
Now I can't find it in my soul, that's the old me
