

I used to wanna kill myself
Came up, still wanna kill myself
My life is going nowhere
I want everyone to know that i don't care
X2

Babygirl you got nothin on her
You're the only one that could ever compare
I can't hear what youre trying to say
Club lights shinin on the side of your face

Cocaine love it goes straight to your brain
Why the fuck is everybody the same
Fuck my life tell that bitch i'm insane
Lil peep shawty let me silence your pain

I used to wanna kill myself
Came up, still wanna kill myself
My life is going nowhere
I want everyone to know that i don't care
X2

Babygirl you got nothin on her
You're the only one that could ever compare
I can't hear what youre trying to say
Club lights shinin on the side of your face
