Lil Peep

One last night (One last night, yeah)  
One more chance (One more chance, yeah)  
One more, kiss (Kiss)  
One last dance (One last dance)  
I pray I don't miss (I pray I don't miss)  
But I don't got a chance (I don't got a chance)  
Got me in, bliss (Got me in bliss)  
Got me in a trance, goddamn

I've been working every damn day, getting to this money  
Who I do it for? My brothers  
Yeah, I do it for my mama, nah  
I ain't with the drama, but I'll hit you with a llama  
Yeah, I put that on my mama  
Blood drippin' from my Prada  
I've been working every damn day, getting to this money  
Who I do it for? My brothers  
Yeah, I do it for my mama, nah  
I ain't with the drama, but I'll hit you with a llama  
Yeah, I put that on my mama  
Blood drippin' from my Prada
