

Princess

Lil Peep

How I could I forget about you
I don't know what I'd do without you
Love is nonsense without my princess
Send me one text, so I can get some rest

How I could I forget about you (Forget about you)
I don't know what I'd do without you (Do without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest
How I could I forget about you (Forget about you)
I don't know what I'd do without you (Do without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest
How I could I forget about you (Forget about you)
I don't know what I'd do without you (Do without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest
How I could I forget about you (Forget about you)
I don't know what I'd do without you (Without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest

Send me one text, send me one text
Send me one text, send me one text
One text (One text)
One text (One text)

How could I forget about you
Never doubt me, I'll never doubt you
I don't go out without you
I don't wanna leave the house without you
I don't do shit without you
And you know I ain't shit without you
Lonely sunsets, lonely sunrise
Wishin' I was lookin' in your eyes

How I could I forget about you (Forget about you)
I don't know what I'd do without you (Do without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest
How I could I forget about you (Forget about you)
I don't know what I'd do without you (Do without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest
How I could I forget about you (Forget about you)
I don't know what I'd do without you (Do without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest
How I could I forget about you (Forget about you)
I don't know what I'd do without you (Do without you)
Lonely sunsets without my princess
Send me one text, so I can get some rest
