

## Sidelines

Lil Peep

I can't keep on watching from the sidelines  
No more, no more, no more Mr. Nice Guy  
Heaven breaks and all my demons awaken  
Runnin' out, but I'll never escape this truth  
It's you, it's you

And I can't find the time now  
To think about loving you  
And I don't wanna find out  
You're doing things you used to do  
Telling me all your lies  
Knowing that I'll believe  
Saying that I'm the guy  
And then you went to deceive me  
No, why you can't please me  
Oh, oh

I can't keep on watching from the sidelines  
No more, no more, no more Mr. Nice Guy  
Heaven breaks and all my demons awaken  
Runnin' out, but I'll never escape this truth  
It's you, it's you
