

## Skyscrapers [Love Now, Cry Later]

Lil Peep

Hotel rooms and skyscrapers  
I got a new pair of shoes to impress her  
She fell in love with the devil, the worst  
Love now, cry later, it hurts

Love now, cry later, cry later  
But I always take the chance  
But I always take the chance  
If I could save her  
If I could save her  
She said she got other plans, damn

Hotel rooms and skyscrapers  
I got a new pair of shoes to impress her  
She fell in love with the devil, the worst  
Love now, cry later, it hurts
