

This Feeling

Lil Peep

I can give you everything, ey
Blood on the wedding ring, damn
I can make her levitate, ey
I can make her medicate

Drugs in my winter coat, ey
Got my plug on a fishing boat, damn
That feelin' never gettin' old, ey
You don't ever listen ho, damn

Look in my eyes, I'm right by your side
Edge of the knife, and I wanna end my life
Look in my eyes, I'm right by your side
Edge of the knife, and I wanna end my life

I can give you everything, ey
Blood on the wedding ring, damn
I can make her levitate, ey
I can make her medicate

Drugs in my winter coat, ey
Got my plug on a fishing boat, damn
That feelin' never gettin' old, ey
You don't ever listen ho, damn
