

# Tonight

Lil Peep

The dreams  
I remember my dreams  
ColdWorldGang

If I had one night, I would spend it with you (Spend it with you)  
I need help, real soon I'ma die in my room (Die in my room)  
You wanna come fly too, gettin' high as the moon (As the moon)  
I might spread my wings tonight (Spread my wings tonight)  
I'm gon' pack my things tonight  
Phone's gon' ring tonight  
Hear the angels sing tonight (Hear the angels sing tonight)  
No matter what you bring tonight  
I'm gon' win the fight  
Peep gon' make it right (Peep gon' make it right)  
Passin' time, gettin' high in the candle light  
Gettin' mine, I be flyin', you can stand aside  
But a heart wanna die, I never live my life  
You can see it in my eyes, that I can't decide  
Fucked up, but my heart still beats for you  
Broken heart, can't breathe in the weight of the room  
Now I'm faced with the test of forgettin' you  
Got the whole club packed, try gettin' through
