Show her how I die

Took her to the crib and I show her how I die every night  
(Fuck, ayy, ayy, fuck... bitch, damn)

I had no one by my side (No one by my side)  
'Til this pretty young white bitch hopped up in my ride (Yah, yah)  
Took her to the crib and I show her how I die (How I die)  
Every night, then I wake up and I'm still fuckin' high (I'm still high, yeah)  
Lord why, Lord why do I gotta wake up?  
More wine, more wine, baby pour another cup (Pour another cup)  
Lord why, Lord why do I gotta wake up?  
(More wine) more wine, more wine, (More wine) baby, pour another cup

She said she love me, she don't even know my real name, yeah

I'ma get a Maserati just to take my life inside  
Baby, sip this wine, tell me are you down to ride?  
'Cause when I get a castle I won't let no one inside  
I'm so magical, my wrist glisten in your dreams  
Skinny nigga up next, countin' guap with Lil Peep, yah
