

# I Know

Lil Poppa

I see 'em watching, tryna copy, niggas studying me  
But I know that these niggas ain't fucking with me  
And they know I ain't going unless my brothers with me  
'Cause I know, I know

They want me to go out like the last nigga  
But I ain't going like that, nigga  
Weight of the whole world on my shoulders, carry this pain on my back  
I'm so far away from home and ain't shit changed where I'm at

I don't want the fame, I give it back  
Nigga, this ain't no fame, this how we act  
Feel like every time I fuck around and gain, I take a few steps  
I feel like every time I take ten steps, I take three back  
Why they always worried where he at?  
Why? I'm probably somewhere they can't be at  
Back on defense, that Miami Heat shit  
Know he been sippin' again, I'm on my Luh Leeke shit  
I'm on that like creep shit, hope you know I peep it  
Fuck all that you and me shit, 'cause right now, it don't mean it  
And me and Gator got a deuce in this bitch, we just scared to pour it  
Still tryna turn them to believers, 'cause right now they don't believe in h  
im

I see 'em watching, tryna copy, niggas studying me  
But I know that these niggas ain't fucking with me  
And they know I ain't going unless my brothers with me  
'Cause I know, I know

I know a lot of niggas ain't get to tell the story, I know  
I ain't get to tell bro that I love him before he left  
Just make sure I tell my people that I love them before I go  
I'm way more humble than before  
'Cause the shit I been through I can't go through it again  
I know how it feel to lose and I know how it feel to win it all  
Don't pick up the phone 'cause if they don't want something, I don't get a c  
all  
If it's smoke, we get involved  
Still ain't never seen a UFO and a bitch that ain't a dog  
Know they rather see me fall, they hate to see a nigga ball  
Girl answer, that's your nigga calling  
Try to cancel that, forget about it  
Just stay loyal and remain solid  
Same soil nigga, same projects  
Shit'll never change, it's in my veins probably  
I wouldn't even doubt it

I see 'em watching, tryna copy, niggas studying me  
But I know that these niggas ain't fucking with me  
And they know that I ain't going unless my brothers with me  
'Cause I know, I know

They want me to go out like the last nigga  
But I ain't going like that, nigga  
Weight of the whole world on my shoulders, carry this pain on my back  
I'm so far away from home and ain't shit changed where I'm at

I know, I know
