

## Know Why

Lil Poppa

What's the meaning  
Voices in my head I'm hearing demons  
Aye that's probably why I get high for no reason  
Tell them boys beef never over no going vegan  
Navy seals shit these niggas got they own seasons  
No matter how it go fuck what you know bitch we ain't see shit  
These niggas round me keep it they gone up it ain't no secret  
Yeah we on point at all times on the line we playing defense  
Cause them niggas that you be with will turn to the ones you be  
efing with  
I'm gone forever hold them secrets for Big Desi you know I'm ke  
eping it  
I done told Quez to leave it hold he said for what bitch I ain'  
t leaving it  
He say them niggas want us gone and before I go I'm gone squeez  
e this bitch  
It might not be right now today be we gone need this bitch

Fuck this game shit no lie  
I been going through the same shit and I don't know why  
Bout you somebody got left brainless and them niggas know why  
And we been missing you daily as the days go by  
So much of this shit I can't take it so I get high so high  
Corbin I miss you I'm gone smoke this shit til I'm with you  
You probably barely see him smiling that's some shit he go by  
You know that boy to official I tell him get him he get ya

And if a nigga ain't loyal then we crop him out the picture  
They been saying he ain't for you but I waited too late to list  
en  
Can't blame nobody but myself should've been playing attention  
I got too many dead friends Ima go pay them a visit  
And don't compare me to these rappers I'm just saying I'm diffe  
rent  
No I ain't cocky I'm just saying no they ain't oops they just f  
ans  
Tryna give a bitch the world if she my girl don't be playing  
Why is it even up for discussion fuck your nigga it ain't nothi  
ng  
I told him squeeze if he clutch soon as he reach he gone bust  
Ain't tryna speak ain't tryna fuss I don't know the meaning of  
trust  
I don't know you niggas ain't pat him down if he ain't from rou  
nd he gone show you niggas  
Aye gun him down if he ain't from round I don't know the killer

Fuck this game shit no lie  
I been going through the same shit and I don't know why

Bout you somebody got left brainless and them niggas know why  
And we been missing you daily as the days go by  
So much of this shit I can't take it so I get high so high  
Corbin I miss you I'm gone smoke this shit til I'm with you  
You probably barely see him smiling that's some shit he go by
