

Pretty Penny

Lil Poppa

(Ayy, 1 Sauced, run it up, boy)

I just told Q3 to come in the booth with me, he declined (L. Abner, that's crazy)

We on two different type of times right now (This shit is so motherfuckin' crazy)

Right now, I'm steady goin' up, he goin' down (I'm smokin' the highest shit) Layin' with a bunch of dirty drugs and some clean guns (Uh)

That's it, that's all (You ready, EJ?)

You can't hide, but you can damn sure run as fast as you can (Got Looks in this bitch with me too, let's go)

The roof's on fire (On fire), but I don't think nobody care (Nobody care)

Me, I just get higher (I just get higher), 'cause that's all I have when nobody there (When nobody there)

The Devil is a liar (Is a liar) and the red shit got some pretty hair on her (On her)

Had to grind, it wasn't long (Long), this shit wasn't made for niggas like us (Like us)

Pourin' it up, one in the mornin', why is you up? (Ayy, why you up?)

It's borin' as fuck, I wish I had my niggas with me (My niggas with me)

Shit get ugly, I'll drop a pretty penny and watch the whole city go down (I watch the whole city go down)

Already movin' slow, pour another four just to waste it on the ground (Just to waste it on the ground)

Don't give a fuck who you know, send a bougie ho to the store when she come 'round (When she come 'round)

Boy, you gotta move your lo', they probably outside your mama shit right now (Like right now)

Them niggas better hope, wrestlin', I got enough room for them in that ground

If it's smoke, then let it smoke (Let it smoke), if it ain't, then let it go (Ayy, let it go)

I said, "Hey, lil' mama (Hey, lil' mama), how you doin'? How you been?" (How you been?)

"I hope you away from all the drama (Ayy, all that drama), 'cause you too pretty to be in that shit" (Too pretty)

Hold on, spin, I don't care who they get (Who you get)

If you young niggas play the lotto, they won't win (They won't win), 'cause they ain't got no kicks

I don't got no rap friends, they think everybody lit (Everybody)

Welcome to the party, broken hearted thugs all out of love (A whole lot of love)

Said we dealin' with narcotics (With narcotics), this shit way to deep for a hug (For a hug)

'Cause she keep givin' me her body (She keep givin' me her body), she know really I just wanna fuck (I just wanna fuck)

I got her doin' drugs in the lobby (In the lobby), like she in the sky and that's probably why (Ayy, that's probably)

The roof's on fire (On fire), but I don't think nobody care (Nobody care)

Me, I just get higher (I just get higher), 'cause that's all I have when nobody there (When nobody there)

The devil is a liar (She is) and the red shit got some pretty hair on her (On her)

Had to grind, it wasn't long (It wasn't long), this shit wasn't made for nig

gas like us (Like us)

Double the cup (Double the cup), droppin' the blunt, but I'ma step right on it (I'ma step right on it)
Shawty fuckin' with me and I'm fuckin' with her, so that's just my lil' homie (Ayy, that's just my lil' homie)
Don't come fuckin' with me, I'm keepin' it tucked, you know that shit right on me (You know that shit right on me)
And if Q3 with me, you know it's in reach, it could switch up the tree
I get fly, fly as I can be (As fly)
I get high, high as Mercury (As high)
Ready for hire, I ain't gotta pay no fee (I ain't gotta)
That's a lie if they say they work for me (Ayy, that's a lie)
Fifteen hundred Celine sweater (Celine sweater), need to fly to Houston, that lean better (That drink better)
Just to fly a groupie, make her feel special (Make her feel special)
They say, "Why you moody?" 'Cause I don't feel nothin' (I don't feel nothin')
Tell auntie keep the pills comin' (Ayy, keep 'em comin'), I know when she go to appointments (She got appointments)
I know when she get 'em prescribed (When she get 'em prescribed) and I know what time she goin' (What time she goin')
Okay, I got your bitch hoein' (Your bitch hoein'), looked at my neck, though it was snowin' in here (Thought it was snowin')
I'll pull up foreign just to stunt (I'll pull up foreign), I ain't even goin' nowhere (I ain't even goin' nowhere)
I miss tourin' (I miss tourin') with my niggas, wonder how it's goin' in the re (Wonder how it's goin')
Lately, it's been stormin' (It's just been snowin'), tell me you doin' okay (Tell me you doin' okay)
Hope you ain't feelin' no way (At all), that creep shit get you sent to a grave (To a grave)
Mama said that vamp life ain't right 'cause I ain't been sleep in days (No)

The roof's on fire (The roof's on fire), but I don't think nobody care (Nobody)
Me, I just get higher (I just get higher), 'cause that's all I have when nobody there (When nobody there)
The devil is a liar (Is a liar), and the red shit got some pretty hair on her (Some hair on her)
Had to grind, it wasn't long, this shit wasn't made for niggas like us (Yeah)

Pourin' it up, one in the mornin', why is you up? (Why is you up?)
It's borin' as fuck, I wish I had my niggas with me (I wish I had my niggas with me)
Shit get ugly, I'll drop a pretty penny and watch the whole city go down (I watch the whole city go down)
Already movin' slow, pour another four just to waste it on the ground (Just to waste it on the)
