## Lil Poppa

We are who we are  
It's like everyday I wake up (Yeah), I keep sayin' l'ma change (Oh yeah, yea h)  
End up doin' the same old shit  
Fuckin' 'round with the same old bitch (Why you gon' judge?)  
Percin' with that same old clique (I'm hot)

We are who we are (We are), live like it's no tomorrow (No tomorrow)  
Just pop a bar, let's go to Mars (Mars), but it still don't hide the scars (Don't hide the scars)  
Show no love 'cause love can get you killed and I ain't got no heart (I ain't got no heart)  
I told her how I really feel, but it's the pill that make me colder (Yeah)  
With all the world on my shoulders (World on my shoulders)  
Lately, I've been tryna stay sober (Stay sober)  
Quit the weed and dirty sodas (Sodas)  
I don't know what I'm thinkin', I ain't changin'  
Gon' be the same way when it's over (When it's over)  
And that money don't heal pain but it buy 'Raris and Rovers (It buy 'Raris a nd Rovers)  
No, I ain't worried 'bout a thing (I ain't worried 'bout a thing, at all)  
I just been takin' all my problems to the bank (All my problems, go ball)  
Go and buy more jewelry 'fore I let the jury judge me ('Fore I let the jury judge me)  
Same bitches called me ugly (Same bitches called me ugly), that vampire chai n made 'em fuck me, oh Lord (Made 'em wanna fuck me)

Hey, mama (Hey, mama), hope I make you proud (I make you proud)  
A thousand people in the crowd for the WildChild (For the WildChild)  
No, I'm not your role model, don't try to live this lifestyle (Lifestyle)  
I'm probably high right now (High right now), ain't tryna miss my flight (Oh Lord)  
And it's been kinda hard to come down (Hard to come down)  
I been rollin' since last night (I been rollin' since last night, last night )  
Can't control it (Can't control it), but let me focus, alright, I'm back (Al right, I'm back)  
Out of mind, out of sight or probably out of space like satellite (Like sate llite)  
I'm with vampires and astronauts (And astronauts), I'm sorry if I'm not your type

'Cause we are ('Cause we are, let's go)  
And I am what I am (I am), right now, it's 5 a.m. (5 a.m.)  
Ain't no reason to feel ashamed (No), you ain't lame 'cause you ain't them (You ain't)  
Went to the OGs for my game and now I'm jumpin' out the gym (And now I'm jum pin' out the gym)  
Them youngins aimin' for your rim (Aimin' for your rim), and it get deep, ho pe you can swim (Hope you can swim)  
My lil' one tryna get a million cash to put it all on them (Put it all on th em)  
And that shit sad, how you gon' chase the bag then waste it all on shrimp? (Then waste it all on shrimp)  
Sippin' slow but still livin' fast, just tryna make it through the year (Jus t tryna make it through the year)  
Vampires are lookin' for blood, better run and hide (Better run and hide)

Sometimes I can't give her enough and that fuck with my pride (That fuck with my pride)

But I knew someone that gave away their love and he died (Let's go)

But we are who we are (We are)

And she didn't even cry (No), so why should I?

Hey, mama (Hey, mama), hope I make you proud (I hope I make you proud)

A thousand people in the crowd for the WildChild (For the WildChild)

No, I'm not your role model (No), don't try to live this lifestyle (My lifestyle)

I'm probably high right now (High right now), ain't tryna miss my flight (Miss it)

And it's been kinda hard to come down (Hard)

I been rollin' since last night (I been rollin' since last night, last night)

Can't control it (Can't control it), but let me focus, alright, I'm back (Alright, I'm back)

Out of mind, out of sight (Out of sight) or probably out of space like satellite (Like satellite)

I'm with vampires and astronauts (And astronauts), I'm sorry if I'm not your type

(Scotty just caught him a body)
