Off a three-day seein' stuff, ooh

I be flyin' demon, she be swallowin' semen, I'm at Neimans

I just took two fake Perc' 30s, I couldn't even feel it, ooh

They told me, "Go to rehab," I broke a bitch knee cap

You done woke the demon up, you done woke the demon up

You done woke the demon up, you done woke the demon up, bitch

You done woke the demon up, you done woke the demon up

You done woke the demon up, you done woke the demon up, bitch

I be flyin' demon, she be swallowin' semen, I'm at Neimans

I just took two fake Perc' 30s, I couldn't even feel it, ooh
