Cause I ain't going for that  
She fucked the gang and you wifed her I ain't going for that

So why you think it's sweet?  
Like we don't love that heat  
Like we ain't out here 24/7 in the skreets  
Folks nem stay with me like they ain't got no where to sleep  
Just cause I let it be please don't think it's sweet

Ain't no tricking me  
You can't walk a mile in my feet  
You see me you see gang yeah they came with me
