

# Come Around

Lil Reese

Came up and still come around  
Now they say you don't come around  
Same niggas you grew up with  
Come around, can't trust shit  
Too many niggas be shyistie  
Cut 'em off, it ain't right with me  
Same niggas you bust at  
Same niggas I bust at  
Imma line 'em up, let's see  
Imma cut you in, that's me  
Catch a case, we ain't coppin no plea  
We gon' fight it all the way till it's beat  
I don't know about you, know about me  
Can't go that way, no it ain't me  
Shit in the streets, broski, keep it in the streets

Came up, I still come around  
A lot of niggas don't come around  
When I ain't around, they still talkin' down  
Leave that shit up to the clowns
