

## Make a Move

Lil Reese

We come from the same shit where it feel like you was boxed in too, man I gotta make a move (On my way)

Man, I gotta

We come from the same shit, where it feel like you was boxed in too, I'm like man I gotta make a move, man I gotta make a move

We come from the same shit, where it feel like you was boxed in too

I'm like man I gotta make a move, man I gotta make a move

Shit happened so fast, you wouldn't even know what to do

You wouldn't even know what to do, you wouldn't even know what to do

Is your mama depending on you? They like "What the fuck you gon' do?"

She like "What the fuck you gon' do? What the fuck you gon' do?"

Fucked my head up when I found out dude was snitchin' too  
Couldn't believe it I was through but that's what niggas do

When shit got tough, I knew what to do

Too many niggas end up dead or in jail, that's the truth

Run up we gon' shoot, bitch, see me salute

Act like I'm a troop, for my team, yeah, I get loose

I on know nothin', know who? Seen or saw who we shoot?

Them niggas gon' point the fingers at you

They gon' tell on what you do

I'ma bail on 12 too, you gon' let em grab you

You touch me? We sliding through, I ain't with that hidin' too

I'm too high this my second deuce, in my pocket all blues

I on rock no fuckin' trues, ooh, please don't front yo move

You look up to who? Send a dumb nigga off

Yeah, we gon' get him too - send that dumb nigga off

Yeah, we gon' get him too

We come from the same shit, where it feel like you was boxed in too

I'm like man I gotta make a move, man I gotta make a move

Shit happened so fast, you wouldn't even know what to do

You wouldn't even know what to do, you wouldn't even know what to do

Is your mama depending on you? They like "What the fuck you gon' do?"

She like "What the fuck you gon' do? What the fuck you gon' do?"

Fucked my head up when I found out dude was snitchin' too
