

# Play It Right

Lil Reese

They riding for me  
And they won't think twice  
Better not front your move  
Better play it right  
Play it right  
Play it right  
Better not front your move  
Better play it right

They riding for me  
And they won't think twice  
Better not front your move  
Better play it right  
Play it right  
Play it right  
Better not front your move  
Better play it right

Better play it right  
Better not front your move  
Nigga better play it right  
We at your head right  
For that bread right  
Fucked up then you dead right  
You dead right  
You dead right  
Than we fled right  
Gotta get right  
We can do this shit all day and night  
On the block 6am yeah I'm shooting dice  
Niggas trip the most ain't right  
I'm high fly as a kite  
Kill everythin' and do right  
If it's beef then it's on site  
Ion fuck with niggas they ain't right  
Ion want to fuck she ain't my type  
Her man be on the block all night  
Shooting dice  
Trynna come through you would lose your life  
Like you just crapped out when you shooting dice  
We'll do you right  
Me and my niggas we glued tight  
I don't want to argue  
You right  
Imma let a nigga do what they do right

They riding for me  
And they won't think twice  
Better not front your move  
Better play it right  
Play it right  
Play it right  
Better not front your move  
Better play it right

They riding for me  
And they won't think twice

Better not front your move  
Better play it right  
Play it right  
Play it right  
Better not front your move  
Better play it right
