

Project

Lil Reese

Haha, it don't matter
Order what you want
It's Meechiee, nigga

You lookin' for me, I'm not in the projects , huh, so we eatin' a lobster
With a lil baddie that come out the projects, huh, she never eat lobster
French rosé, don't you pour me a cup, I'ma drink out the bottle
I was way down that she suck me up, don't spill on the floor baby swallow
You lookin' for me, I'm not in the projects , huh, so we eatin' a lobster
With a lil baddie that come out the projects, huh, she never eat lobster
French rosé, don't you pour me a cup, I'ma drink out the bottle
I was way down that she suck me up, don't spill on the floor baby swallow

Niggas be mad, they can't catch up with us
Shit, bitch, my diamonds is bussin'
Don't want relations, got them in a love Mont Rush
Shit, if you miss it you buss
French rosé, I'ma pour you a cup
But I'ma drink out the bottle
My diamonds shinin' when I'm pullin' up
Little I'm rich and I'm goin' viral
I got the .40, Rolex and the Louie
Shit, it's 3000 for Louie
40000 for the book of my Louie
You get smoked my Ooey
I did the Robins, I did the Trueys
Hit the casino, I'm better than Boeey
Get it again and I'm gettin' it right back
Think of a Maybach, I'm not into losing
I drop the ceiling, you won't hear I'm using
I do the opps and you won't see me runnin'
Walk and stab him while I'm countin' these hunnids
Fuckin' them baddies and treat them like nothin'
When I'm in the mall, I'm not takin' nothin'
Won't put in the car, my dime eat redonden
I hop out the car and start bussin' and bussin'
Hop back in the car and speed off like it's nothin'

You lookin' for me, I'm not in the projects , huh, so we eatin' a lobster
With a lil baddie that come out the projects, huh, she never eat lobster
French rosé, don't you pour me a cup, I'ma drink out the bottle
I was way down that she suck me up, don't spill on the floor baby swallow
You lookin' for me, I'm not in the projects , huh, so we eatin' a lobster
With a lil baddie that come out the projects, huh, she never eat lobster
French rosé, don't you pour me a cup, I'ma drink out the bottle
I was way down that she suck me up, don't spill on the floor baby swallow

I'm with them killers, yeah, we from the projects
You know that we mobbin'
Catch a opp lackin', you know that we got him
We wearin' that Gucci, you know that we stallin'
Niggas be talkin' but they don't do this
My niggas, we shooters
We on a hit, bro, how we gon' do this?
Just pull up and shoot shit
Just pull off in new whips (Skrtrt)
You lookin' for me? I'm in the projects with demons and killers and goblins

Can't fuck your bitch, took her to North cribs
Bitch, I'm so ruthless, knock your teeth out, now, you so toothless for runn
in' yo mouth talkin' stupid
All my niggas, they'll kill you, they'll shoot you
Boy, them niggas ain't shooters
Most of these niggas, they pussy
Boy, I can see right through ya
Lil bro ain't just do ya
Got top rom your bitch and I ain't even knew her
Actin' like you about it but you ain't gon' do it
Stop that flexin' boy, we ain't into it

You lookin' for me, I'm not in the projects , huh, so we eatin' a lobster
With a lil baddie that come out the projects, huh, she never eat lobster
French rosé, don't you pour me a cup, I'ma drink out the bottle
I was way down that she suck me up, don't spill on the floor baby swallow
You lookin' for me, I'm not in the projects , huh, so we eatin' a lobster
With a lil baddie that come out the projects, huh, she never eat lobster
French rosé, don't you pour me a cup, I'ma drink out the bottle
I was way down that she suck me up, don't spill on the floor baby swallow
