You can't make nothing out of nothing (out of nothing)
So I had to make something out of something (out of something)
Get off my ass (get off my ass)
Gotta get some cash (gotta get some cash)
Don't need no nigga for shit ain't even gonna ask (ain't even gonna ask)
Cuz a nigga will leave you broke down on your last (down on your last)
Thought that's your man (thought that's your man)
Thought he was your man (thought he was your man)
My niggas my niggas my niggas ain't even gotta ask (ain't even gotta ask)
My niggas with me they shoot ain't even gotta ask (ain't even gotta ask)
Them niggas ain't true ain't even gotta ask (ain't even gotta ask)

My niggas with me they shoot
You ain't even gotta ask (you ain't even gotta ask)
And if you're tricking with a nigga like me I'm gonna get on your ass
Pull up for the cash
You only want the bags (you only want the bags)
You can't be sweet
They'll rob your ass (they'll rob your ass)
These niggas with me they'll rob your ass (they'll rob your ass)
Yeah so fast (yeah so fast)
Pull off so fast (pull off so fast)
Folks no door had nigga got sad
I don't know nothin if the police grab my ass
I bet he knows something if the police grab his ass (yep)
Must need some ass
You don't get no pass
Can't come in my hood
Fuck nigga you won't get no pass

You can't make nothing out of nothing (out of nothing)
So I had to make something out of something (out of something)
Get off my ass (get off my ass)
Gotta get some cash (gotta get some cash)
Don't need no nigga for shit ain't even gonna ask (ain't even gonna ask)
Cuz a nigga will leave you broke down on your last (down on your last)
Thought that's your man (thought that's your man)
Thought he was your man (thought he was your man)
My niggas my niggas my niggas ain't even gotta ask (ain't even gotta ask)
My niggas with me they shoot ain't even gotta ask (ain't even gotta ask)

Can't make nothing out of nothing
So I had to make something out of something
Yeah I had my young niggas pumping
Soon as we see them fuck niggas we dumping
Ain't about no money keep it moving (gone)
They keep them sticks on them and they love to use them
Yeah all points already proven
Yeah all the joints came from the Cubans
Broad day he ain't even have a mass
It was for my nigga he ain't even have to ask
Y'all might need a better staff
Yeah I tried to split his head in half (war)

You can't make nothing out of nothing (out of nothing)
So I had to make something out of something (out of something)
Get off my ass (get off my ass)
Gotta get some cash (gotta get some cash)
Don't need no nigga for shit ain't even gonna ask (ain't even gonna ask)
Cuz a nigga will leave you broke down on your last (down on your last)
Thought that's your man (thought that's your man)
Thought he was your man (thought he was your man)
My niggas my niggas my niggas ain't even gotta ask (ain't even gotta ask)
My niggas with me they shoot ain't even gotta ask (ain't even gotta ask)
