They know just how I play, how I play, how I play  
They know how we play

They know ain't shit fake

They know just how we play, they know ain't shit fake  
If you goin' through some shit  
You better not tell us or we gon' throw it in your face  
A nigga get out the land, a nigga get put in his place  
I need a real bitch, nah, I need a new quick  
When I run it up, we gon' be straight  
No more being humble, nah, we gon' show 'em how we play

From my next, I will catch no breaks, I gotta get it everyday  
Hard body, lil bitch, I'ma straight be about gun play

Bullshit, we about that, better not come my way  
Broad day, they'll get the job done on a Sunday

Then you fuckin' lose (Then you fuckin' snooze)  
Then you fuckin' lose (Then you fuckin' lose)  
Saturday if you play then you fuckin' snooze (Then you fuckin' lose)

They know just how we play, they know ain't shit fake  
If you goin' through some shit  
You better not tell us or we gon' throw it in your face  
A nigga get out the land, a nigga get put in his place  
I need a real bitch, nah, I need a new quick  
When I run it up, we gon' be straight  
No more being humble, show 'em how we play, show 'em how we play
