

# We Won't Stop

Lil Reese

We won't stop we won't stop we at the pressure  
Just look at my squad since a youngin we been with it  
Only the strong survive and you niggas is bitches  
Pull up on yo block with 30's that's a mission  
Pulling with my squad that a damn mission  
Don't come around me not a shooter then get missing  
He might be a police he working what's the business  
And you niggas don't know me then working what's the business

I fuck with o-block 300 that's my niggas  
Add up both block that to many killas  
Yo bitch gone fuck both block she know that we them niggas  
Stay away from lame niggas we don't fuck with you pretender  
Keep the heater when its cold incase we have to burn a nigga  
I come from that block lamron 300 nigga  
Got my broski in the cut and we ain't fighting with cha  
If you all about money then we'll get it with cha  
Acting like you can't get touch some niggas will deal with ya  
I'm out here chasing money call that a self fisher  
I ain't really gotta talk since a youngin been that nigga  
Otf and gbe bitch 300 bitch we them niggas

These niggas know sosa they know [?]  
We killing everybody including every witness  
We ain't fucking around these niggas is snitches  
I don't care bitch I'm off lean I though my car was missing  
I'm riding around and I got my shoters with me  
Reese my big bro for him we shot you hear me  
We switching lane and foreign cars you hear me  
We passing round these foreign that's you hear me  
That bitch like I'm fucking with no condom  
We pull up in that rari that bitch sound like thunder  
I be stunting 50 thousand nothing  
These chains make my neck hurt earring and watch among me
