Yeah It's your homeboy Lil' Rob It was once said that you can't keep a good man down That's why I'm back Simon That's right L-I-L R-O-B, remember me, it's me That vato hardcore on your memory Temporarily had a commision, now my mission is to keep you wishing That I was gone, what's wrong? Fear what you know, loco with the flow And if you didn't know, now you know, oh no Pelon, chingon, cholo, solo Always rolling in my lowrider ese, how low? As low as it goes Clothes always creased, dressed up nice and neat Always fucking up my beats and always fucking up my sheets Take a seat and learn that I just can't be burned Though I'll burn you like a lenio, you can't fuck with me, mental Eso mero, you better believe it homey They'll be bumping my shit in forty years just like an oldie Listen over here, over there, what's that sound? Lil' Rob, can't keep a good man down Listen over here, over there, what's that sound? Lil' Rob, can't keep a good man down Listen over here, over there, what's that sound? Lil' Rob, can't keep a good man down Listen over here, over there, what's that sound? Lil' Rob, can't keep a good man down Listen over here, over there, what's that sound? Lil' Rob What's up ese It's your homeboy Lil' Rob coming back at you Letting you vatos know they can't keep a good man down Those who know don't talk and those who talk don't know So remember that shit the next time you're questioned ese Orale The world is my stage, got you trapped like a cage Act your age not your shoe size, where the fucks the truth lie? You act like a shoo-fly, but don't bother me You claim that you're the bomba, but no to me It's a shock to me you'd even want to talk to me, the one you can not see Trying to find out everything like Barneby Chismosa, that's what you are to me They say keep your enemies close but I want you far from me Farther than the eye can see like in another galaxy Like where another planet be, anywhere but next to me Lil' Rob got some new shit and I know you won't like it Lil' Rob got some new shit and I hope you don't like it Ponle
