

Cornered

Lil Rob

I'm Sitting In My Four Cornered Room
And Got No Room For Nobody Else
I'm Sitting In My Four Cornered Room
And I'm Chilling All By Myself

As I Sit In My Four Cornered Room
Ain't Got No Room For Nobody Else
Just For Myself
I Haven't Seen Daylight For Days
What's Today Anyway?
Doesn't Matter Anyway
Time's Going Backwards
Like An Hourglass Going In Reverse
Bouncing Off Walls
Like Rubber Balls
In My Mind
Dreams, Nightmares And Waterfalls
Mary Jane Calls My Name
Take Me Away
As I Float Over My Body
And Look At Myself
That Can't Be Me
There's No Way
How Could This Happen
To Such A Man With Such A Plan?
Just When You Think
You're On Top Of The World
And Nothing Can Bring You Down
Believe Me Homeboy
Something Always Can

I'm Sitting In My Four Cornered Room
And Got No Room For Nobody Else
I'm Sitting In My Four Cornered Room
And I'm Chilling All By Myself

I Trust No Man To Help Me
Even Though I've Helped Many
They Couldn't Do Shit Without Me
All Work And No Play
Makes Me A Dull Boy
How Could You Live Your Life This Way?
Get Up
But The Pain Won't Let Up
The Voices In My Head Won't Shut Up
I Feel I've Been Set Up
I Can't Even Pick My Head Up
I Sit Catatonic
Explode Like Atomic
People Think I'm On The Shit
But I'm Not On It
All I Wanted Was To Live A Simple Life
But Now I Live This Crippled Life
Had A Bright Future
Gots My Mind Boggled
Cuz Now I Look At My Future
Through Foggy Goggles

And It's Gacho

I'm Sitting In My Four Cornered Room
And Got No Room For Nobody Else
I'm Sitting In My Four Cornered Room
And I'm Chilling All By Myself

My Room's Getting Smaller
And I'm Getting Taller
I'm Feeling Claustrophobia
And I Can't Focus
Leaky Faucets
Drip Drop
Tick Tock
From A Cloud That Tells No Time
My Veins Are Black & Blue
My Eyes Are Bloodshot Red
I'm Halfway To Dead
I Rather Be Dead Instead
I Wanna Scream
But I Can't
It's Like The Cat Gots My Tongue
And Sometimes I Think It Does
What?
Yeah I Think I'm Sick
I'm Bleeding Profusely
Cuz I Bite My Bottom Lip
As I Sit In My Four Cornered Room
Ain't Got No Room For Nobody Else
Just For Myself

I'm Sitting In My Four Cornered Room
And Got No Room For Nobody Else
I'm Sitting In My Four Cornered Room
And I'm Chilling All By Myself

I'm Sitting In My Four Cornered Room
And Got No Room For Nobody Else
I'm Sitting In My Four Cornered Room
And I'm Chilling All By Myself
