

# Don't Make Me Wait

Lil Rob

Hey man, it's been a long time...  
You know what, man...  
Think I'm worth the wait, hun...  
Yeah...  
Simon...

"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (I'll make you wait)  
"Don't make me, don't make me" (Don't make me wait)  
"Don't make me wait" -  
Don't make me wait, that's what they say  
Well, you don't have to wait no more  
I'm bustin' through the fuckin' door  
Like it's a fuckin' liquor store (Liquor store)  
Chillin' in a '54  
Two-door, hardcore  
Mary Wells out the dashboard, while I'm  
Spinnin' backwards  
Time warp, black and white  
Who gets the light  
To light up the night  
Nah, nah-nah-nah-night, you do, you do, oh yeah, that's right  
Right, let's get it right, let's get it straight  
I'm worth the wait, there's no debate  
Right from the gate, gate  
I'm here to stay, stay  
Won't make you wait, wait  
Another day, day  
Won't make you wait, no how, no way, no how, no way (Way)  
The time has come, the time is now  
So I'm gonna put it down the only way that I know how (Sho!)

"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (I'll make you wait)  
"Don't make me, don't make me" (Don't make me wait)  
"Don't make me wait" -  
Sippin', been waiting for me  
To drop an oldie LP  
Well, here you go, gente  
This one's to you, from me  
I heard, you heard of, was dead  
That's somethin' somebody said  
That's somethin' somebody wishes  
But fuck ten bitches, yeah  
They tryin' to keep me down  
Trying to keep me from being around  
Tilt my head to the sky, put my feet on the ground  
Representing the brown side of town, never throwing the towel (No)  
How you like me now, now

I know you still don't, but that's cool  
Cause I'm looking past you  
And I'm not, looking back, dude  
That's somethin' that I can't do (That I can't do...)  
So just know, that I know  
That there's nothing that I can't do (There's nothing that I can't do)  
Yeah  
Man, you in trouble now  
Lil Rob, back up in the buildin'  
Marijuana smoke, up on the ceilin'...

"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (I'll make you wait)  
"Don't make me, don't make me" (Don't make me wait)  
"Don't make me wait" -  
Don't make me wait, that's what they say  
And so I jumped into the cad  
Hit the switch, lift it up, then bounce  
Over to the lag  
Take a drag  
Jump in the booth and bust my rap (Bust my rap)  
You can have it after that  
Up in your ride and make it snap (Snap)  
Yeah  
Do what you do, I do it too  
I'm just like you, you  
That's what we do, until it's through  
Don't, get me started, wait, it's too late  
And I ain't pumping the brakes  
So I ain't makin' you wait  
It's been a minute, but I'm still in it  
Who's house? (Who's house)  
Rob's house (Rob's house)  
Who would of thought that's Rob's house  
Would be the dog house  
When I'm bouncin' back, no choice but that  
I'm back, and I ain't going nowhere  
I mean, I'm goin' somewhere  
And can't wait to get there

"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (Don't make you wait)  
"Don't make me wait" (Don't make me wait)  
"Whoa, whoa" (I'll make you wait)  
"Don't make me, don't make me" (Don't make me wait)  
"Don't make me wait" -  
Hey, I won't make you wait no more  
It's goin' down like this  
All day, everyday, yeah  
Lil Rob  
That's how we get down  
Chicano style...
