I be that vato, who got you on the stage

Mr. Sancho, returning your lady's page
Now you're in a rage, pissed off and disgusted
That's why I ain't got to lady, (why not) can't be trusted
Vatos hooked on hoes like China White without being stepped on
That's why I kicked the habit and then kept on
It's hard enough these days to make cash and win
Without a bitch asking me were the fuck have I been
Franky Baby is too clean for that, too payed for that
I'm a genuine player, not bitch made like that
My shit sells 'cause it's tight, raid like that
But don't keep it at home, 'cause pigs run raids like that
It's still put down like it should be
From SD to that big bad 213
