

## School Days

Lil Rob

Up in the mornin' and out to school  
The teacher is teaching the golden rule  
American history and practical math  
You studying hard and hopin' to pass  
Working your fingers right down to the bone  
And the guy behind you won't leave you alone

Ring, ring, goes the bell  
The cook in the lunch room's ready to sell  
You're lucky if you can find a seat  
You're fortunate if you have time to eat  
Back in the classroom, open your books  
Keep up the teacher, don't know how mean she looks

As soon as three o'clock rolls around  
You finally lay your burden down  
Close up your books, get out of your seat  
Down the halls and into the street  
Up to the corner and round the bend  
Right to the juke joint, you go in

Drop the coin right into the slot  
You gotta hear somethin' that's really hot  
With the one you love, you're making romance  
All day long, you been wantin' to dance  
Feeling the music from head to toe  
Round and round and round, we go

Hail, hail rock and roll  
Deliver me from the days of old  
Long live rock and roll  
The beat of the drums, loud and bold  
Rock, rock, rock and roll  
The feeling is there, body and soul
