

Yo Baby Yo

Lil Rob

[Pre: Hook]

Yo baby yo baby yo
I just wanna talk to you
Yo baby yo baby yo
We can go do something new

[Verse 1]

There she was at the Cantina
Such a sexy Señorita
So I walked up and I introduced myself (sup baby)
I said I saw you from a far
I had to know just who you are
And are you interested in doin something else

[Hook]

Yo baby yo baby yo (Yo baby yo baby)
I just wanna talk to you
I wanna se what's on your mind
I said Yo baby yo baby yo
(Yo baby yo baby)
We can go do something new
Baby if you got some time

[Verse 2]

Yeah, we getting loud tonight
You only die once so imma live my life right, right?
And for someone that I like
Take it to the dance floor
And have the time of a l-l-life
That's what I'm talkin bout
And you know once we start
There ain't no stopping now
There ain't no slowing down
Take a look around holmes it's going down
Sippin' my tequila
Talkin' to this mamasita
I was digging everything she had to say
(What she say)
She said she love my conversation
Proudly very stimulating
And asked me if I would like to go and play (okay)

[Hook]

Yo baby yo baby yo (Yo baby yo baby)
I just wanna talk to you
I wanna se what's on your mind
I said Yo baby yo baby yo
(Yo baby yo)
We can go do something new
Baby if you got some time

[Bridge]

Tonight I say that we go out
And we try something new
Cause something new is what I'd like to do
Do something different than we're use to
If that's cool with you

And she said

[Hook 2x]

Yo baby yo baby yo (Yo baby yo baby)

I just wanna talk to you

I wanna see what's on your mind

I said Yo baby yo baby yo

(Yo baby yo)

We can go do something new

Baby if you got some time
