This that talkin' shit, then say it to my face
Tell the lawyer "We ain't tripping, money for the case"
I just walked in, I poured a four inside a vase
I can't trust nobody 'cause I know these niggas fake
Who are you? You ain't me, we can't relate
Shawty wanna stay the night I tell her "Pump your brakes"
Gotta get back to it, all that bullshit gotta wait
It's no cap in my raps, my nigga why would I debate? (Ayy, ayy)

Who are you? You ain't me, we can't relate
Shawty wanna stay the night I tell her "Pump your brakes"
Gotta get back to it, all that bullshit gotta wait
It's no cap in my raps, my nigga why would I debate? (Ayy, ayy)

No they don't understand it, pull up with immortal bandits (Uh-uh)
You know we with the team, yes I'm about my green
Best advice I could give you, nigga go chase your dream
Um, stop making assumptions
Always talkin' shit but you're never sayin' nothin'
When you get that money, everybody is your cousin
Can you stop the bluffin'? You can't tell me nothin' (Ah)

This that talkin' shit, then say it to my face (Yeah)
Tell the lawyer "We ain't tripping, money for the case" (Go, go)
