

Tired of me, I'm tired of me too, baby
I'm tired of me, I'm tired of me (Zerby)
Tired of me, I'm tired of me
I'm tired of me too
Tired of me, I'm tired of me
I'm tired of me too

Tellin' me you're tired, yeah I'm tired of me too
I've been on a mission, I'm just tryna' see it through
I'm pourin' out my soul like I got nothing left to lose
I'm jumping out the window, 'round my neck there is a noose
Got piercings on my face, until I'm red, white and blue
The tattoos on my skin covering my scars when they bruise
I'm tryna' find some peace like there's nothing left to do
I live my life in chaos, it's not something that I choose

I'm running from the norm, I've never been that and it's true (Yeah)
I'm with the outsiders, you can't come inside this room (Room)
This life is hell on Earth, that's why I know I'm from the moon (Moon)
I'm with the aliens, I send the blast and then we zoom (Yeah)
Working on myself, I'm finally glowin' when it's dark (Yeah)
I know that I ain't perfect, why I can't give out my heart? (Yeah)
If I do that, I know that they just gon' tear it apart (Go)
So why would I do that baby, I gotta protect the stars (Yeah)
I turn the lights off when I get inside the car (Yeah)
I light my cigarette, blow out the smoke and feel the char' (Yeah)
It's burnin' in my chest, I know it's tearing me apart (Yeah)
I'm in love with the pain, I've been like this from the start (Go)

Tellin' me you're tired, yeah I'm tired of me too (Yeah)
I've been on a mission, I'm just tryna' see it through (Yeah)
I'm pourin' out my soul like I got nothing left to lose (Yeah)
I'm jumping out the window, 'round my neck there is a noose (Go)
Got piercings on my face, until I'm red, white and blue (Yeah)
The tattoos on my skin covering my scars when they bruise (Yeah)
I'm tryna' find some peace like there's nothing left to do (Yeah)
I live my life in chaos, it's not something that I choose (Go)

Different type of diamonds, put some more 'round my wrist (Yeah)
I'm lookin' in your eyes, I guess I like the way they gliss (Yeah)
You know I ain't surprised, I know most people full of shit (Yeah)
I'm loading up my gun, I take my shot (Do-do), hope I don't miss (Beep)
Lost inside my head, but I can lead you to the money (Yeah)
I'm from a dark place where the sky is never sunny
Why you braggin' like you got it? But to me that is just funny (Yeah)
Put my family in position, in the end I'm still so lonely (Go)
Tryna be myself, with me, the change I find it phony (Yeah)
You want a fairytale, big house and a pony (Yeah)
Leave a nigga stranded, that's okay, can't never clone me (Yeah)
Fear got pants, can't fear no man, I am a OG (Go)

Tellin' me you're tired, yeah I'm tired of me too (Yeah)
I've been on a mission, I'm just tryna' see it through (Yeah)
I'm pourin' out my soul like I got nothing left to lose (Yeah)
I'm jumping out the window, 'round my neck there is a noose (Go)
Got piercings on my face, until I'm red, white and blue (Yeah)
The tattoos on my skin covering my scars when they bruise (Yeah)

I'm tryna' find some peace like there's nothing left to do (Yeah)
I live my life in chaos, it's not something that I choose (Go)

Tellin' me you're tired, yeah I'm tired of me too
I've been on a mission, I'm just tryna' see it through
I'm pourin' out my soul like I got nothing left to lose
I'm jumping out the window, 'round my neck there is a noose
Got piercings on my face, until I'm red, white and blue
The tattoos on my skin covering my scars when they bruise
I'm tryna' find some peace like there's nothing left to do
I live my life in chaos, it's not something that I choose
