

Actin Up

Lil Tecca

Shawty, why you actin' up? You just gotta move right (Oh yeah)
I been takin' long flights, hope I got a long life (Oh yeah)
She gettin' jiggy, she gettin' wavy, she actin' up (Actin' up)
You feelin' good, you're movin', baby, just back it up (Oh)
What I say? My niggas at the top
You niggas, y'all some opps, you niggas at the bottom, won't see you
now
And look at my jeans, they say Number (N)ine, they say Margiela or Evisu now
We pull up, bling, blaow, I told my shawty she wildin', she want a ring now, Evisu now
Them niggas at the top don't wanna see you come up with 'em
They gon' hold you down, Evisu now

Yeah, yeah, I slid with my bitch
She just wan' have sex, want no conflicts
All my life, I been lived accomplished
She said I took an L, told 'em watch this
Stunt up on a nigga ho, up on a nigga game
These niggas, they so lame, I swear they want the fame
But I can never change, I been in my own lane
But all of these hoes, they the same way
