

CAUTION

Lil Tecca

(If you about to slide slide with caution)

Shawty hit me said she need a ride to the function
I could never do you wrong (never sorry)
Slid with the gang we took your hoes from the party
Rose gold on my, patek in my new ride
Foreigns in the garage, all my hoes say hola
Rose gold on mine, patek on my new ride
She like to heat it up, I said baby cool out
We don't got no room for that (ooh)
I just make the room for the opportunity (already)
Gotta get in tune with my moves
I can show you who you really was supposed to be (yeah)

Diamonds on my whip
Diamonds on my baby yeah you talking he get hit
I move very shady and I do not give no shits
She want give me top, make her pay me for a lick
She gon pay me like a trick
There some real big choices I'm the one that's gon decide
They talking shit to me that's why every song is a reply
Hermes with the number 9 I'm a fly don
You can't put your city on how you put me on?
Told them I already won (I already won)
I won't wife a bitch til I'm 31
Tell me that she wanted some (we already done)
See me in my zone, already gone (yeah)
