Can't switch up on me, seen everything change
And I'm worried about my change and you worried about my gang
My bitch fly too, I think that she my twin flame
I don't get used to it, know that everything goin change
Outside with the gang (yeah)
Feelin like the NBA
Shooters they ready to spray
Trap money gon rain
I been going MIA
Mama said where you been at?
Make sure you doin good
I said momma I been did that
Outside with the gang (yeah)
Feelin like the NBA
Shooters they ready to spray
Trap money gon rain
I been going MIA
Momma said where you been at?
Make sure you doin good
