Yeah, oh no

Yeah, yeah  
She just hit my phone, she said, "Tecca, you a winner"  
I just took her home, then I turn her to a sinner, yeah  
Rambow

She just hit my phone, she said, "Tecca, you a winner" (Yeah)  
Took her home, then I turn her to a sinner, yeah  
I just got a check, I ate lobster for dinner  
She like my style, she tryna turn me to her nigga, yeah  
I just woke up, now they sayin' I'm a star  
I just wanna ball with my guys  
Drive off the Wock', he just caught a DUI  
He think he knew the answers, nigga, like he Bill Nye

Bitch, I feel like A.I., nigga, never need to practice  
I got two clips 'cause that chopper automatic  
And I started talkin' shit, I got tired of this blabbin'  
But I been making' hits, most these niggas, they been nappin'  
And my lyrics hit her hard, like a nigga he was stabbin'  
LSD hit his brain, yeah, that nigga, he been tabbin'  
I just got your shorty here, my niggas, we been tappin'  
Walk to the bank, Chief Keef, I be laughin'  
Red, blue, yellow, nigga, you could pick your Power Ranger  
I could fuck, but I don't date ya  
Getting bands, but I can't save her  
Fast nigga, but I can't chase her  
360, quick scope, FaZe him  
God-mode, aim-bot, laser  
Cut you off, I got that razor

She just hit my phone, she said, "Tecca, you a winner" (Yeah)  
Took her home, then I turn her to a sinner, yeah  
I just got a check, I ate lobster for dinner  
She like my style, she tryna turn me to her nigga, yeah  
I just woke up, now they sayin' I'm a star  
I just wanna ball with my guys  
Drive off the Wock', he just caught a DUI
