Lil Tecca

Yeah she lovin' my fly
I tell her pull up and she lovin' my guys
She gon' hop in the ride
She said she love me cuz she know that I'm flyer
And she love to get higher
MBM yeah thats the gang we the riders
Pop that boy like a tire
Pull up on him tighten up like a plier
Yeah she lovin' my fly

And she love to get higher

Pop that boy like a tire
Pull up on him tighten up like a plier

And she lovin' my team
Got a gat wit a stock beam beam
You don't want no beef
In the squad we feast we eat
We don't call police
Yeah opp run down with that steam
Hear my phone blowin' up
It's a start on the block
Gotta leave it on scene
And I keep that gat
Extendo boutta spray that MAC
And I cannot lack
I don't do no lean no ack
I gotta keep my brain intact
Lil Tecca you the man thats a fact
And I'm keepin' it a band like a stack
And I gotta keep countin' the racks

Yeah she lovin' my fly
I tell her pull up and she lovin' my guys
She gon' hop in the ride
She said she love me cuz she know that I'm flyer
And she love to get higher
MBM yeah thats the gang we the riders
Pop that boy like a tire
Pull up on him tighten up like a plier
Yeah she lovin' my fly
