

Last Call

Lil Tecca

Last call
With shawty
Let you know

I think that was your last call
Hit me up if you ever want some, girl
'Cause we gon' ball forever
'Cause we gon' ball forever
All these racks on my side, I don't need you
Swear that I been that nigga since preschool
Took a W and now I can't lose
Look around, tell me what the world come to, oh
I think that was your last call
Hit me if you ever want some, girl
'Cause we gon' ball forever (Ball forever)
'Cause we gon' ball forever (Ball forever)
All these racks on my side, I don't need you
Swear that I been that nigga since preschool
Took a W, now I can't lose
Look around, tell me what the world come to, woah

Been at zero, been at a milli'
Been at twenty, been at fifty
Bitches on bitches, I got plenty
I'm in a Lambo', you in a renty
You niggas lame and I swear it gettin' messy
Shorty on my line and they hate Jessie
I can't kick it with you, I ain't messy
Two hundred on the dash, cops can't catch me
Woah, you don't even know how we came up, no
We don't even care 'bout no fame, bro, hopes
That one day we would just get famous, even though
We don't even care 'bout no fame, yeah, no

I was in the back tryna cast in the shadows
You can't even stack all your cash, that's why you broke
I don't want no sob stories, keep that to you
Unless you givin' head and you exceptional

Last call, hit me up if you ever want some, girl
'Cause we gon' ball forever (Ball forever)
'Cause we gon' ball forever (Ball forever)
All these racks on my side, I don't need you
Swear that I been that nigga since preschool
Took a W and now I can't lose
Look around, tell me what the world come to, oh
I think that was your last call
Hit me if you ever want some, girl
'Cause we gon' ball forever ('Cause we gon' ball forever)
'Cause we gon' ball forever ('Cause we gon' ball forever)
All these racks on my side, I don't need you (Yeah)
Swear that I been that nigga since preschool (Oh yeah)
Took a W, now I can't lose (Oh)
Look around, tell me what the world come to, woah

Ball forever (Oh)
Ball forever, ball forever (Oh)

Ball forever (Oh)
(Ball forever)
