

# Love Me

Lil Tecca

Yeah, I know you see the drip and you like it  
Wanna text me, but your pride tryna fight it  
I know you young, chasin' love, tryna find it  
Then I saw you at a party, started wildin'

I want you, so do you want me?  
If I said I love you, would you love me?  
I could never dub you, but could you dub me?  
I don't wanna fall in love, I don't think it's for me  
Hope you know I want you, so do you want me?  
If I said I love you, would you love me?  
I could never dub you, but could you dub me?  
I don't wanna fall in love, I don't think it's for me

I ain't no regular nigga  
When we pull up to the party, man, the party get bigger  
And she fuckin' with Lil Tecca 'cause she know I'm a winner  
I pray to God every day, but I know I'm a sinner  
More money, more problems, and the bitches get thicker  
Deep throat, shootin' like a free throw  
Shawty, she a freak ho, that's my line  
Yeah, I want a shawty right now, I know you might now  
But I ain't tryna waste no time  
She know I'm too wavy  
Yeah, I'm that nigga, you cannot replace me  
As soon as I met you, you said you wan' date me  
I can't say I'm loyal, for you? Baby, maybe  
These niggas they hate me 'cause they mad they ain't me  
So much hoes around me, I'm getting so lazy  
I fuck with you, baby, as long as you make me  
Sooner or later, I'll make you my baby  
Sooner or later, I'll make you my baby

Yeah, I know you see the drip and you like it  
Wanna text me, but your pride tryna fight it  
I know you young, chasin' love, tryna find it  
Then I saw you at a party, started wildin'

Hope you know I want you, so do you want me?  
If I said I love you, would you love me?  
I could never dub you, but could you dub me?  
I don't wanna fall in love, I don't think it's for me  
Hope you know I want you, so do you want me?  
If I said I love you, would you love me?  
I could never dub you, but could you dub me?  
I don't wanna fall in love, I don't think it's for me

I don't think it's for me  
I don't think it's for me  
I don't think it's for me  
I don't think it's for me
