

My Time

Lil Tecca

(I like this song)
We love you Tecca
Yah, yah, ayy, yah, yah, yah, oh yah oh yah

I told her hop in the right side
She gon' fuck with me because of my guys
I need a baddie the baddest of my life (yah, yah, yah)
And he mad just because it's my time
Big dope bad hoes in the bad life
Fuck with the gang and you won't have a bad time
And she know MBM that's the gang right
Fuck a flow, fuck a strip I'm a bad guy (yah, yah, yah)

Talking shit and ya head got a red light (yah)
Don't cap that'll turn you to a dead guy (yah)
All these opp niggas talking better think twice
She throw it back for the gang you could get live
Pull up, I saw lil' shawty glow up
She know I'm 'bout to blow up
And all these shawty's want us
I know these niggas talking
Tell them boys run up
Got blicks in the sunnup
These hollows make you bun up (yah)
Bun up, so I brought it to the trap spot
And she love MBM 'cause the trap hot
Bad bitch fuckin' with the gang she a bad thot
So much dope in my system that I can't talk
Groupie hoes all up in my phone
They could get blocked
And I love my haters 'cause I know they gon' stop
All these cops all up in my crib and they gon' knock
I don't even ever answer I don't wanna talk
Back then bitches used to dub me now they wanna fuck
Back then bitches used to dub me now they give it up
Bitch I'm getting money now I don't give a fuck
Bitch I'm getting money now I don't give a fuck
All my biggers yeah they know me they gon' run it up
Yeah I sell like 20,000 bet I run it up
Big big dope, I don't smoke but you could blunt it up
All these niggas wanna hate me 'cause I'm coming up

I told her hop in the right side
She gon' fuck with me because of my guys
I need a baddie the baddest of my life
I know they mad just because it's my time
Big dope bad hoes in the bad life
Fuck with the gang and you won't have a bad time
And she know MBM that's the gang right
Yeah she know MBM that's the gang right
