NEVER LAST

Lil Tecca

Yeah, yeah (Yeah, yeah, yeah)
Yeah, yeah (Okay, woah, woah)
Alright (Yeah, yeah)
Alright

I'm the reason why it's bad (Oh my)
I know that we would never last
No, I can never get attached (Attached)
I know it might hold me back
I know this hoe takin' tabs (Tabs)
I said, "Why you lookin' at my tags?" (Tags)
I could tell you why we in the past (Past)
I ain't never even have to act (Yeah, yeah)
I flex, I watch, I geek a lot (Alright)
She wanna nod off a K9 (K9)
I got this loud, it's not the same high
I peep, I watch, I see a lot
I don't got time for the same bullshit
You would've thought I'm not the same guy (Same guy)

The way you slid I thought I knew ya
I ain't trippin' on you get a new ya
Oh, you thought that your bro was a shooter?
I can't trip on that bitch get a new one
She say I'm that nigga, I might be for ya
You won't see no one like me for ya
Yeah, they twisted it's probably I ain't sober
I could still fuck around like I don't know ya
I been lit since a young nigga, hoe that's regular
I guess it's my bad when you gettin' checks
No, you don't even care if they checkin' up
I don't respond back
What made you think I was lettin' up?
Thought you had a play, but I set it up
Ya'll niggas pray for some better luck
I really just want my time back

You fucked around and tried to play the mind games, yuh
I fucked up when I tried to show you fine things, yuh
I love it when you knowin' that they tryna' play, yuh
I guess you never seen this in the timeframe

I'm the reason why it's bad (Oh my)
I know that we would never last
No, I can never get attached (Attached)
I know it might hold me back
I know this hoe takin' tabs (Tabs)
I said, "Why you lookin' at my tags?" (Tags)
I could tell you why we in the past (Past)
I ain't never even have to act (Yeah, yeah)
I flex, I watch, I geek a lot (Alright)
She wanna nod off a K9 (K9)
I got this loud, it's not the same high
I peep, I watch, I see a lot
I don't got time for the same bullshit
You would've thought I'm not the same guy (Same guy)

```
Okay, alright
Okay, alright
Okay, alright
Alright, alright, alright
Okay, alright
Okay, alright
Okay, alright, alright
```
