Shout out to my nigga Vell (Yeah), yeah, you know he from the North
Got your bitch, she on my body and she sucking me on soft
Why these niggas talking hot? Boy, you know that you ain't tough

And the fit gon' drip, it don't matter what I wear
I could wear a Nike sweatsuit with a Moncler (With a Moncler)
And it's gon' be angelic as long as I'm here
They say "Lil Tecca, what style in your hair?" ("What style in your hair?")

And a shawty on my body, I don't even want her (Want her)
Real cold outside, I ain't even gon' burr (Fuck that)
Found out that some niggas, they be using me for clout, yeah
Pull up on your block, all my niggas gon' skrt

Shout out to my nigga Vell (Yeah), yeah, you know he from the North
Got your bitch, she on my body and she sucking me on soft
Why these niggas talking hot? Boy, you know that you ain't tough
Nigga, I ain't gon' lie, got me really fucked up, really fucked up
Really fucked up, really fucked up
Got me really fucked up, really fucked up
Really fucked up, really fucked up
