

OWA OWA

Lil Tecca

(Owa-owa)
(I hit from the back and now she sayin')
(Owa-owa)
(I hit from the back and now she sayin')
(Owa-owa)
(I hit from the back, yeah-yeah, oh)
(Owa-owa)
(I hit from the back, yeah-yeah, oh)

I got too much to live, no time to forgive
New Chrome, yeah, I got that shit on my hip
You grown, should know I don't got time for this
Alone, you just wanted somebody lit
Might say crazy shit, they think we playin'
A lot in my head, it's just replayin'
Forever, she tellin' me, "Keep sane"
I hit from the back and now she sayin' (Owa-owa, yeah)
I roll up the pack and now she sayin' (Owa-owa, blatt)
I keep it a stack and now she sayin' (Owa-owa, woo)
Spend it, made it back and now she sayin' (Owa-owa, yeah)
Tell her I'll be back and now she sayin', "Nah, nah"

Don't gotta go when you on one
Leather seats all in this truck, I ain't came in a coupe, yeah, my legs a li
l' taller
Bad Romance, shawty like Lady Gaga
She wanna pop star, rock star, I got new hoes on my roster, I'm proper
Look through my records, say that you'll cost you
It's a long time tryna get to Waukesha (Owa-owa)
Tryna know what I'm on, already know that you gon' hit me like (Owa-owa)
Tryna know when I'm gone, come and touch down in your city like (Owa-owa)
Thought of being alone, ain't no one that tryna blow the high (Owa-
owa, yeah)
Walk a mile in my sole, prolly won't go home, we offside (Yeah)

I got too much to live, no time to forgive
New Chrome, yeah, I got that shit on my hip
You grown, should know I don't got time for this
Alone, you just wanted somebody lit
Might say crazy shit, they think we playin'
A lot in my head, it's just replayin'
Forever, she tellin' me, "Keep sane"
I hit from the back and now she sayin' (Owa-owa, yeah)
I roll up the pack and now she sayin' (Owa-owa, blatt)
I keep it a stack and now she sayin' (Owa-owa, woo)
Spend it, made it back and now she sayin' (Owa-owa, yeah)
Tell her I'll be back and now she sayin', "Nah, nah"

They told you not to get addicted
Ooh-ooh (Nah, nah)
We love you, Tecca
Close your eyes
Let it take you
No past, no future
Just now
