Been a long time since I'm feelin' right
All I know is wrong
And my fans, yeah, got me feelin' right
Always playin' my songs, yeah
Bitch niggas say they like gossip
Whole time I don't know, uh

Now, mud got me feelin' like a phenom
Went to the plug, I tell him need a read out
Drip to the floor, I told him, "Pick your feet up"
Real hot nigga, bitch, I gotta heat up
Real hot nigga, get up out the spot
Wanna take a flick when I step on the block
Star ring on my finger, baby, 'cause I know I'm gon' pop, ayy
