

TEC

Lil Tecca

I don't regret, but I receive
She call me Tec', she call me T
Bitch, I been blessed wherever I be
This shit Armageddon if you with me
We gettin' checks, yeah, we gettin' fees
Had to finesse and keep the receipts
We playin' catch with thirty at least
I keep a hundred, that's on me

Playin' them games, don't D-I-E
Yeah, eye for an E-Y-E
On your head like it's D-Y-E
They want a piece of the P-I-E
Playin' them games, don't D-I-E
Yeah, eye for an E-Y-E
On your head like it's D-Y-E
They want a piece of the P-I-E

I know you checkin' on me, yeah
I know there's nothin' to see, yeah
I know I fucked up a lot in the past
I got some places to be, yeah
I don't need someone I need, yeah
I don't need someone like me, yeah
I know she bad, but I want her friend
So we were just better off bein' friends
Brand new pent, yes, got out the nest, yes
Don't do chest, you don't need a vest
Prepare for the worst and pray for the best
She want less, it come with a catch
Pull up, it come with a check
Pull up, I come with a TEC
I know I got 'em obsessed

Yeah, show you the one
Think everyone knowin' you some
You think that they know you or some?
I can't even tell you what's up
With them trust issues you got
I used to fuck with you, but nah
Insecure 'bout the way I live
But you can't say I ain't try

I don't regret, but I receive
She call me Tec', she call me T
