

Tic Toc

Lil Tecca

Yeah, Tecca
Oh, oh, oh-oh-oh, oh-oh
Oh-oh-oh, oh, oh
Yeah (Menoh)

Look at the watch, tick-tock
I can't waste no time no more
Time is money, so just look at the clock
But that shit don't tock no more
Movin' fast when I come with the Glock
I don't need no stock no more
Comin' different with the drip, yeah
It don't rain or shade, it pour

I bought a new watch to fuck it up
If he wants the smoke, fuck 'em up
If you want some smoke, blunt it up
I'm chasin' the bag, come run with us
She stay with the gang, she fuck with us
If you need some Wock', go plug 'em up
That shawty a thot, come fuck or somethin'
You don't want no beef, you ain't dumb enough
I bought a new watch to fuck it up
If he wants the smoke, fuck 'em up
If you want some smoke, blunt it up
I'm chasin' the bag, come run with us
She stay with the gang, she fuck with us
If you need some Wock', go plug 'em up
That shawty a thot, come fuck or somethin'
You don't want no beef, you ain't dumb enough
