

# Wake Up

Lil Tecca

Wake up

I done cancelled my plans, I hope that this time it don't take much  
Got a lot on my mind, but you know that I never say much  
When I roll up this dope, I feel like it's nothin' but fake love  
Yeah, I told you, "Keep your head up"  
Know you live your life so fed up  
Been a while tryna get your bread up  
Come by, it don't get no better  
Yeah, I told you, "Keep your head up"  
Know you live your life so fed up  
Been a while tryna get your bread up  
Come by, it don't get no better

Took time, it ain't gettin' no better  
These niggas, they hoes, they tender  
No, I never been no pretender  
Life a movie, I'm watchin' it render  
Throw that white flag, niggas surrender  
Yeah  
Every day we get fly, this not a gala  
You say what you thinkin' like it matter  
My ho got a ho, she came with an add on  
You tried to play me and turnin' back  
How the fuck you tryna turn your back on me?  
Went and just turned to that  
All this shit get deeper than the rap  
You think over there it got greener grass  
I gave you the swag, I can't teach a class  
I don't know what to see, no one really at  
All this shit feelin' fool if you realize

I love it, but I know at times I hate it  
You tell me I'm trippin' on none  
You tell me I been out of play  
If I hit this blunt one more time  
Won't even remember your name  
I'm tellin' you, I'm not the one  
I'm tellin' you, we not the same  
I'm tellin' you, you not the—
