

Bad to The Bone

Lil Tjay

She never asks me when I'm done (When I'm done)

Lil momma she bad to the bone
I said boy what she do for her own
She ain't trynna hit nah she grown
Hit it once she can't leave me alone
Lil momma she bad to the bone
I said boy what she do for her own
She ain't trynna hit nah she grown
Gotta focus and stay in my zone

Baby you different like one of a kind
Swear I been lookin' it took me some time
When I'm in the studio, stuck on my grind
But at least everyday you still stuck on my mind
JT, isn't that hard to find
Baby, just give it some time
Maybe, it'll come to my mind
All of this shit I left it behind
I had it changed but done got on my grind
I couldn't love flipping nickels and dimes
All of this water so crazy it's mine
Keep shit in order, I'm gripping tha nine
If he look for me, I ain't hard to find
I'm in the field with it all of the time
I offer my house but you act too good for yourself
Hope you know I don't want no one else
Hope you know I don't love no one else
Hope you know I won't change nothin' else
Hope you know what you know and you don't what you don't
Only girl, I let roll all my L's
Baby, I feel like da vibes so real
It's crazy, how I'm feelin' this shy, oh well
And you on my mind as soon as I wake up at nine
Every morning you hittin' my line
That's the way that you grind
When I beat it up from behind
Imma see that a couple of times
Wanna eat it a couple of times
Lemme beat it a couple of times
Go one round, two times, three round, four
Imma need it a couple of times

Lil momma she bad to the bone
I said boy what she do for her own
She ain't trynna hit nah she grown
Hit it once she can't leave me alone
Lil momma she bad to the bone
I said boy what she do for her own
She ain't trynna hit nah she grown
Gotta focus and stay in my zone

Hope you don't want me because of the fame
All of these issues I keep it official
But Imma expect you to treat me the same
So when expected you know Imma stunt
I got a feelin' I know what you want
You want a nigga to ride til the end
Shake it official you know I went dumb
I'm with the gang shit you know Imma front
Turn in that curb and I'm rollin' the blunt
If a nigga talk hard we gon go on a hunt
Everything official so I know Imma bun
Baby, you know what I'd do for you
I understand that this lifestyle new to you
But it's new to me so it's new to we
Never thought I'd see my face on TV
Baby, you post to this ride
I ain't ever gone tell you no lies
All this shit I be feeling inside
Way too deep you can look in my eyes
Imma still give you all of me
Lifestyle like a nigga thought it'd be
Every show we gone pull up to slaughter
Same energy until a nigga slaughter me
One time for them niggas that doubted me
I know my big bro proud of me
