

# Dream That I Had

Lil Tjay

Mmm, dream that I had (JTK)  
Any means, get a bag  
No loyalty, that's the green for your ass  
None of my niggas on the scene lookin' bad  
Bitches try to run me up the jeans for the cash  
Oh, oh, oh  
(Lil Tjay) Yeah

Why you steppin' on the scene lookin' bad? (Scene lookin' bad)  
Only got here 'cause the dream that I had (Oh)  
Gotta focus up, any means, get a bag (Oh)  
No loyalty, that's the green for your ass  
None of my niggas on the scene lookin' bad (Oh, oh)  
Bitches try to run me up my jeans for the cash (Oh, oh)  
JT in the air, I'm a fiend for the gas (Oh, oh)  
And I work so hard 'cause I need me a plaque (Oh, oh)

Told my brother, "What you need? You can ask"  
'Bout to feed you the facts, what I need is the racks  
Swear I could've really got what I need in the trap  
Once I figured I could rap, mind started goin' everywhere  
They wanna put me in the ground and I'm well aware  
Nina right hip on my side, we ain't never cared  
Hit a nigga, now he dead  
Throw his body in the bag, take a road trip to Delaware  
Damn, damn, I'm the man  
I'm not like them niggas that just do it for the 'Gram  
I do it for my fans so I'm always goin' H.A.M.  
Niggas judgin' me, but they don't even really understand  
How it feel when you go through hard times (Hard times)  
Workin' every day, I don't do a part time (Part time)  
I knew there was a light after every dark time (Dark time)  
Sittin' at the top, ask me, it's our time (Our time)  
Our time right now

Why you steppin' on the scene lookin' bad? (Scene lookin' bad)

JT in the air, I'm a fiend for the gas  
And I work so hard 'cause I need me a plaque

I got two, first verse I ain't have nothin'  
Swear everything'll fall in line when that bag come  
Solid niggas win the race, you a fast run (Fast run)  
Fuck a caption, if it's static, I'ma blast somethin'  
Thirty clip, don't gotta aim somethin' to clap somethin' (Not at all)  
Try to run, five shots, nigga, back down (Stand tall)  
Now another nigga dead  
And I don't even feel relieved 'til it hit him in his head  
Niggas, they be snitchin', they be talkin' to the feds  
My mama told me, "Get it, boy, you better get this bread"  
I'm tryna change, tryna chill, but I'm at the edge  
I swear, I had a dream that a nigga can't forget  
A lot of niggas funny, they be trendin' for the check

Y'all niggas know my bodies, better show me some respect  
I walk around, move around, gotta keep a TEC  
'Cause a couple niggas stressed and they wanna see me wet, no

Why you steppin' on the scene lookin' bad? (Scene lookin' bad)  
Only got here 'cause the dream that I had (Dream that I had)  
Gotta focus up, any means, get a bag (Means, get a bag)  
No loyalty, that's the green for your ass (That's the green for your ass)
