## F.N

(Fuck niggas, I don't trust niggas If you bust triggers and you tell, you a fuck nigga) If you tell, you a fuck nigga (How you tell on the gang? If you mention my name Boy, I promise I'ma kill you, finna duck, nigga What's up with you? I grew up with you Used to fuck with you, now I'm wishin' that a bus hit you I used to fuck with you, now I'm wishin' that a bus hit you) Yeah (Fuck niggas, I don't trust niggas If you bust triggers and you tell, you a fuck nigga) Fuck nigga Yeah, yeah (Used to fuck with you, now I'm wishin' that a bus hit you) Yeah, yeah (Skrrt, skrrt, yeah)

Grrr-pow Ima skip town, see my wrists drown Everybody wanna fuck with me for benefits now Man I wish my nigga Smelly coulda seen me lit now Sit down baby, roll up, blow a spliff down Time go by, niggas change so much Why the fuck these niggas looking at my chain so much? They just mad cuz I departed from the game so much One false move and the gang gon' bust

Cartier glasses 20/20 got a clear view You a man I don't fear you Act up, we gon' mask up, boy I dare you Brodie catch a body Ima leave you in the rear view Coulda did it to me lil nigga you were scared to You a bluff and you not who you appear to You be star struck if you see a nigga near you And your bitch wanna fuck I don't care to Careful, if I say links plans cancelled I can have your shorty in my bed doin' dance moves Fuck that, let's get right back to the real shit In the field shit, niggas really used to drill shit Mama stressed out, whole lot she gotta deal with Swear every real nigga gon' feel this Smokin' on drugs cuz it's too much to deal with SB strapped up in the field wit it

Fuck niggas, I don't trust niggas
If you bust triggas and you tell, you a fuck nigga
How you tell on the gang if you mention my name
Boy I promise Ima kill you finna duck nigga
Wassup with you, I grew up with you
Used to fuck with you, now I'm wishin' that a bus hit you
I used to fuck with you, now I'm wishin' that a bus hit you

Fuck niggas, I don't trust niggas If you bust triggas and you tell, you a fuck nigga How you tell on the gang if you mention my name Boy I promise Ima kill you finna duck nigga Wassup with you, I grew up with you Used to fuck with you, now I'm wishin' that a bus hit you I used to fuck with you, now I'm wishin' that a bus hit you

## Lil Tjay

My mama know about the pain that I never change But lookin' back for the fame I feel the same I was stuck up in the streets but I had a brain I ain't had no money, we was lookin' for a nigga chain And she know all I ever wanted was to have a name Had a lot of shit to lose, not enough to gain And a fuck nigga change went against the grain Find out my homie went fed, almost went insane Strictly business you ain't wit it you get parked nigga I don't know you wasn't wit me from the start nigga I remember catchin' stains in the park nigga Me and Bubba tryna catch a opp after dark nigga My mama told me wisen' up, be a smart nigga To all my niggas on go like a kart nigga Smelly drive mean a bullet to your heart nigga I don't really wanna speak facts, see the chart nigga

Grrr-pow Ima skip town, see my wrists drown Everybody wanna fuck with me for benefits now Man I wish my nigga Smelly coulda seen me lit now Sit down baby, roll up, blow a spliff down Time go by, niggas change so much Why the fuck these niggas looking at my chain so much? They just mad cuz I departed from the game so much One false move and the gang gon' bust

Fuck niggas, I don't trust niggas If you bust triggas and you tell, you a fuck nigga How you tell on the gang if you mention my name Boy I promise Ima kill you finna duck nigga Wassup with you, I grew up with you Used to fuck with you, now I'm wishin' that a bus hit you I used to fuck with you, now I'm wishin' that a bus hit you

Fuck niggas, I don't trust niggas If you bust triggas and you tell, you a fuck nigga How you tell on the gang if you mention my name Boy I promise Ima kill you better duck nigga Wassup with you, I grew up with you Used to fuck with you, now I'm wishin' that a bus hit you I used to fuck with you, now I'm wishin' that a bus hit you
