

Irregular Love

Lil Tjay

I ain't tryna vibe with you baby girl
I ain't tryna tell you lies
You been showin' signs to me baby girl
And I ain't tryna waste no time

I understand you want what you want bad
High class 'cause you all that
Want a nigga who could ball out
But imagine if he fall back

Imagine I was dead dead broke all the money and the fame wasn't there
Imagine if it all wasn't left to me girl would you still be here
It's sad but we both know the truth, if this ain't real baby swear
Tired of guessin' and stressin' and questionin' love
I guess it's best I disappear

Won't judge
Why don't you just tell me what's up
I don't think you know how to love
This shit ain't no regular love
Regular love, regular love

Something different about you girl and I like that
You make my stomach curl I can't fight that
It's deeper than my girl 'cause you wife stat
Can't nobody pipe that

I wanna know that if it go down you go' still ride
I told you I just want that truth and girl you still lied
I kept my feelings in but don't think I ain't realize
The guys told me I should spin and I still tried (Still tried)

I know you finna try to say I'm fucked up
Girl you don't realize you lucked up
Young nigga too real got my bucks up
I think it was better girl for real when we just fucked

And keep it honest girl for real can you feel that?
If you just wanna be a kill I could kneel back
And I can't waste no more time with you old girl
Love you but you toxic for my mind this shit feel whack

Won't judge
Why don't you just tell me what's up
I don't think you know how to love
This shit ain't to regular love
Regular love, regular love

Over again, oh
I can't believe that we had to call it over again, baby
You don't know me, and I don't know you
